Our Inspiration

Prof. Dr. Chandrakant Kunjir

* Ex H.O.D. COEP

* Ex Deputy Director Maharashtra

* Member Academic Council SPPU

* Hon. Founder President

Purandhar Technical Education Society's

* B.E. (MECH), M.E. (Design). Phd.

As a visionary in nation building, & worked as Professor and HOD of No.1 college in maharashtra for engineering education since last 150 years est. in 1854, has foresight that..... school & college education is the core foundation of personal and national emancipation at large, that produces multifaceted and responsible citizens for this progressive nation.

Like many social reformers and social revivers, Prof. Dr. Kunjir ventured to open a school with very few students, which has now enlarged into a vast-fruit of knowledge. Students from Nursery- (Pre-Primary), Primary and High school of English medium, under the Maharashtra & CBSE board till Std X with excellent SSC & CBSE have grown from KG to Std XII & B.A/ B.Com/ B.Sc. & MBA/MCA.

As he has a noble cause for education, he did not enter into purely professional education as an initial step. His thirst to make every student to reach out to the highest peak of knowledge and status. He has launched the study centre for CAT, IIT, medical, UPSC, MPSC, SAP CS and many more courses for placements. Out of in all 70,000 students which Dr. Kunjir taught throughout his career of 40 years in technical and professional education, 40,000 students are working abroad in US, UK, Canada, Australia etc. remaining 30,000 are working in india on key posts like GM, Tata Motors, Sr. Manager Infosys, India head of TCS & IAS / IPS officers.
